Invest in the Future: Champion & Empower Tomorrow's Leaders Through RYLA

Strengthening communities one leader at a time!

ABOUT:

RYLA (pronounced rye-la) transforms young adults into strong leaders. It's more than just an award—it's an opportunity to hear inspiring speakers, practice leadership skills, and grow personally.

Organized by Rotarians and past participants, the program is run by RYLA graduates, known as Facilitators. Participants, initially nervous upon arrival on Thursday, quickly feel at ease and leave with new friends by Sunday.

Though details are kept secret to enhance the experience, RYLA features professional speakers, hands-on leadership activities, and team-building exercises that foster personal growth and community.

June 3 - 6, 2027

Stillwood Camp | Lindell Beach (Chilliwack), BC

LEARN MORE:

rotarydistrict5050.org/ryla

FINDING CANDIDATES:

Contact young adults (18 - 30 years old) that you know—whether from school, the community, work, or home. RYLA is a rare Rotary program open to family members of Rotarians.

Look for candidates with leadership roles or potential. Most youth have this potential, so the challenge is choosing among them.

Candidates can come from academics, sports, arts, or other community areas and may lead through verbal skills or by example.

Please note that we need to confirm the number of participants with the facility one (1) month before RYLA. Therefore, we cannot offer cancellation refunds after May 3, 2027.

Sponsorship Cost:
\$550 CAD
\$450 USD
